

## 2022 Instructional Fall League with Justin Bianco

### **4 Week Program**

2 Days per Week

August 29th-Oct 6th

**Cost ~ \$149**

#### **SCHEDULE**

**9&10:** Mon & Wed (22 kids)

**5:30 pm -7 pm**

**August 31**

**Sept. 7, 12, 14, 19, 21**

OFF WEEK

**October 3 & 5**

**11&12:** Tues & Thurs (22 kids)

**5:30 pm -7 pm**

**Sept. 6, 8, 13, 15, 20, 22**

OFF WEEK

**October 4 & 6**

The instructional league will consist of 2 different age groupings (9 & 10s and 11 & 12s). **They will play 8 games** that run twice a week for 4 total weeks. Before each game they will hit with me and throw for 30 minutes to get ready for a 1 hour game. We will always start indoors for the hitting and throwing warm-up and all games will be played outside. *If it rains we will play indoors so we will not have to cancel.* **Spots limited to 22 per age group to make 2 teams.** I will umpire and coach throughout every game. I will also make the teams each game and it will be more of a sandlot style, so they might not be the same teams every game. *The goal is for each player to learn and improve in all aspects of the real game.* I want them to learn more about the game, especially the things that they won't learn in practice. Some examples are: *being a better base-runner, knowing what to do in different situations (offensively and defensively), learning how to hit better in the game (improving hitting approach), & learning how to handle failure (and success!).* Playing time will be divided as evenly as possible. This is a great opportunity for extra reps, especially for pitchers who would like to improve! I encourage players who sign up to approach me if they have certain areas they want to improve in and will do my best to help them accomplish their goals.
